INT.- KITCHEN

MADISON and KYRUS are sitting at the kitchen table. Madison and Kyrus are kid detectives. They are at the kitchen table eating breakfast.

MADISON

What are we gonna do today?

KYRUS

I Don't know.

In the background is a news update. There is breaking news that a sled has been stolen from the Christmas Museum. Kyrus sees the newscast and goes to make a phone call.

KYRUS (CONT'D)

Hello, is this the Christmas Museum?

VOICE

Yes this is, how can I help you?

KYRUS

We saw your report about the missing Santa sled for the parade and we wanted to help you find it.

VOICE

Ah yes, you can come by anytime today.

INT.-CHRISTMAS MUSEUM

Madison and Kyrus walks into the Christmas Museum to the front desk. There is a guy in a Santa hat standing there.

SANTA

Hi, can I help you?

MADISON

We called to offer our services to help with the missing sled.

SANTA

Yes, Hi you spoke with me.

KYRUS

Who all was here when it was stolen?

SANTA

Oh, I don't know I just noticed it wasn't here.

MADISON

If you weren't here how do you know it's gone?

SANTA

I went into the room where we keep the sled and it wasn't there.

Santa takes them to the room where the sled should be.

KYRUS

Well, what does the sled look like?

SANTA

It's red and has a gold trim. I'm sure it is still here. None of the security cameras show the sled leaving the area. Maybe they were waiting until we closed to remove it from the building.

Madison and Kyrus are walking around in different rooms looking for clues. They are going into different exhibits looking for things that look out of place.

MADISON

Where could the sled be in this museum.

KYRUS

I have no idea

Power goes out

MADISON

What Happened?

KYRUS

I don't know

Madison and Kyrus are feeling around in the room trying to find a switch to turn the lights back on.

KYRUS (CONT'D)

Look a switch.

MADISON

Flip it

Kyrus flips the switch and then they hear the exhibit door close.

MADISON (CONT'D)
Help get us out of here.

KYRUS
How do we get out of here.

MADISON
Look there's a key in the bush

Madison picks up the key and unlock the door. When they open the door Kyrus sees a Santa hat on the ground.

KYRUS
Where did this come from?

MADISON
I don't know. Let's try down this hall.

Madison and Kyrus sprint down the hallway to see if they see anything or anyone. They find Santa.

KYRUS
Isn't this your hat?

SANTA
No

MADISON
Yes it is. You had it on when we came in. It was you wasn't it? You took the sled. Why?

SANTA
I got bored of this job and I thought if I hid the sled I would have to do the parade.

KYRUS
We'll we won't tell it was you if you do the parade today and then go and find a different job.

SANTA
Fine

EXT. CHRISTMAS PARADE

We see different floats for the Christmas parade. The sled with Santa is at the end of the parade and it leads to a podium with a christmas tree and the MAYOR. Madison, Kyrus and Santa are on the podium with the Mayor.

MAYOR

Thank you kids for saving the parade.

The Mayor hands them both a plaque.

FADE OUT.
